Courage. Imagination. Unbeatable Determination.

The Kentucky frontier was a beautiful place, but also a dangerous one. Jemima Boone and John Gass often heard wolves howling, bears growling, and snakes slithering through the tall grasses. There was no store, no school, no doctor at Forst Boonesborough. The settlers were on their own to deal with whatever threats arose. On a sunny summer day in July of 1776, the crisis they faced was a kidnapping . . . **BASED ON A TRUE EVENT.**

One reviewer wrote:

"Makes Me Curious About History -- This is the story of the kidnapping of Daniel Boone's daughter. Although this is a fictionalized version of what happened in 1776, it really makes me want to dig deeper about the history of that period in time. Luckily, the back of the book includes a timeline, questions and answers, glossary, and a list of sources for further exploration."

No matter how hard twelve-year-old North Olson tries to do what's right, he can't seem to please his dad. When a major flood threatens to destroy his hometown, North is left in charge of his little sister Rosie. A blizzard blows in and his great-grandmother disappears. Can North find his great-grandmother and keep Rosie safe as the flood waters continue to rise? Will he finally make his dad proud?

This story takes place in the Red River Valley of the North during the 1997 flood. It's fiction, but based on the natural disaster that took place throughout the region.

One reviewer said: "STORM WARNING is absolutely riveting. I felt so involved with North and Rosie (and Grandma Lily and Dog), that I couldn't put the book down until their dreadful predicament was resolved."

Fun facts that teach kids ages 8 to 12 all about the US Constitution. Who wrote the beginning of the Constitution of the United States? What rights does the First Amendment protect? Can a kid sue their school for an unfair punishment? Help young learners find the answers to these questions and more in this fascinating look at the Constitution for kids. They'll learn about how it was written, the people who created it, and the ways it helps our government work—one amazing fact at a time.

Reviewers say:

"Elizabeth Raum once again makes reading about U.S. history engaging for young readers!"

"This gem of a book is written in an engaging, conversational style by a prolific author who has the experience and expertise to know what young readers need to learn and how to interest them. The interactive style of writing, scattered with historical images will engage readers in learning about this important topic in a relevant manner."

The Choose Your Journey Series Published by [JourneyForth Books](http://JourneyForthBooks.com).

These books take interactive Bible novels take readers to the first century where they encounter Jesus, the disciples, and various Biblical characters. Readers must make choices at each step along the way. The books are designed for readers ages 7-9. The books can be purchased as a set or individually.

Reviewers wrote:

"I love how Ms. Raum allows the reader the choice of choosing different story plots based on the three characters' perspectives. Even a reluctant reader would enjoy reading a story adventure!"

“This was another fantastic book . . . I have 3 children from the ages of 4-9 and the smaller ones listened while they played and the older one helped me choose which way the story would go. Fantastic read and I hope to get the others in this series as well.”
